Hand Held Device Setup

For those of you utilizing software (Thunderbird, Apple mail, etc.) or a device (Android, iPhone/iPod Touch/iPad, Blackberry, etc.) you should begin utilizing the following settings:

**Incoming mail server:** Port 993  
**Protocol:** IMAP  
**Server name:** student.luzerne.edu

**Outgoing mail server:** Port 25  
**Protocol:** SMTP or SMTPS (SMTPS preferred)  
**SSL Enabled**  
**Server name:** student.luzerne.edu

Be sure authentication or authenticated SMTP is in use and specify your username and password as prompted. (Username is what is to the left of the @ symbol in your email address.)
