

Dear Training Officer / Chief:

Luzerne County Community College's Public Safety Training Institute is pleased to announce the option of training packages for Fire, Rescue, and EMS companies/departments. With the development of these new packages, it allows LCCC training to be more affordable and allows us to better serve your department/company. The packages also allow you, as a customer, to customize training for your specific needs. Annual package fees shown are for calendar year 2025.

Basic Package:

1. Allows up to 200 hours of onsite training course held at your department/company's facility (applies to a rented or joint training grounds) per calendar year. **(Does not include resident programs, seminars, or certification tests)**
2. One (1) Hazmat Awareness and one (1) Hazmat Ops. Refresher class included in the package.
3. Course minimum and maximum student limits apply. If no minimum is out lined in course MSA, the minimum will be 10 students.
4. Package member must provide classroom and all practical facilities required for the course.
5. The student and/or their sponsoring agency is responsible for equipment, books, manuals, guides, apps, computer and or programs and other items requested for the course.
6. The package member organization is responsible for supplying and replacing expendable items. This includes any rental fees of equipment and or facilities needed for the course.
7. Package does not include Career Firefighter Academy.
8. Annual fee for Basic Package; \$1400 per calendar year

Intermediate Package:

1. Allows up to 200 hours of onsite training course held at your department/company's facility (applies to a rented or joint training grounds) per calendar year. **(Does not include resident programs or seminars)**
2. One (1) Hazmat Awareness and one (1) Hazmat Ops. Refresher class included in the package.
3. Course minimum and maximum student limits apply. If no minimum is outlined in course MSA, the minimum will be 10 students.
4. Package member must provide classroom and all practical facilities required for the course.
5. Package member must provide all equipment required for the course.
6. The student and/or their sponsoring agency is responsible for equipment, books, manuals, guides, apps, computer and or programs, and other items requested for the course.
7. The package member organization is responsible for supplying and replacing expendable items. This includes any rental fees of equipment and or facilities needed for the course.
8. Certification test held at Luzerne County test site #16 (PSTI) will be included in the

Intermediate Package. This is based on a first-come first-admitted basis. Maximum number of candidates apply and will be posted in the test announcements. Preregistration for certification testing is a must (package members will be granted a period of early registration prior to accepting registration from non -members). All application paper work required by the Pa. State Fire Academy applies. Only applicants who submit all required documents will be given a spot on the test roster.

9. Department/company must provide a roster of current members.
10. Intermediate Package does not include Career Firefighter Academy.
11. Annual fee for Intermediate Package; \$3100 per calendar year.

Advanced Package:

1. Allows up to 200 hours of onsite training course held at your department/company's facility (applies to a rented or joint training grounds) per calendar year.
2. All resident courses are open to the members of the advanced package department/company with no additional cost. Preregistration is required. Roster filled on first-come first-served basis.
3. **If a member "no shows" for a resident class that member and contact person for the department/company will get a letter of warning. If it happens a second time the member will be removed from the departments roster for future classes.**
4. **If a single department/company has 5 (five) "no shows" to resident classes in one calendar year, that department will forfeit its right to attend any additional resident classes on the day of the fifth occurrence.**
5. Seminars will be offer at discounted prices to the members of departments/companies that purchase the Advanced Package.
6. One (1) Hazmat Awareness and one (1) Hazmat Ops. Refresher class included in the package.
7. Course minimum and maximum student limits apply. If no minimum is outlined in the course MSA, the minimum will be 10 students.
8. Package member must provide classroom and all practical facilities required for the course.
9. Package member must provide all equipment required for the course.
10. The student and/or their sponsoring agency is responsible equipment, books, manuals, guides, apps, computer and or programs, and other items requested for the course.
11. The package member organization is responsible for supplying and replacing expendable items. This includes any rental fees of equipment and or facilities needed for the course.
